Characterization**

# Paper Published in SCI Journals *(In number)*

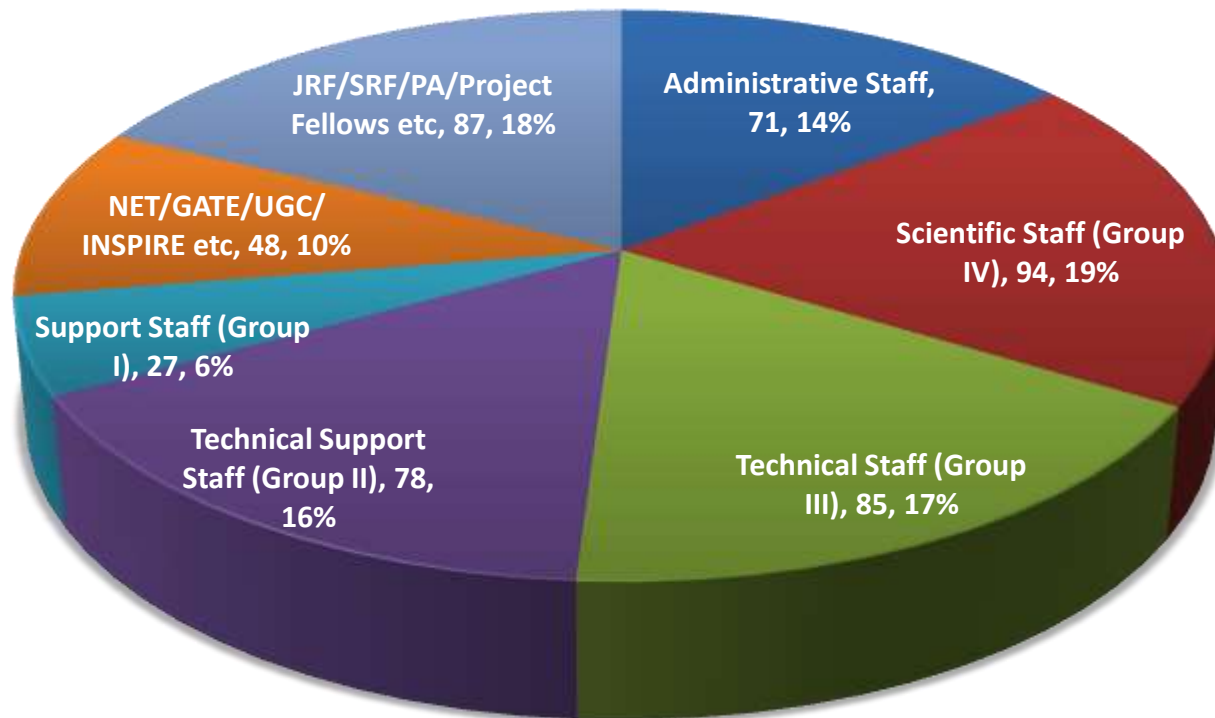

# Area-wise research papers

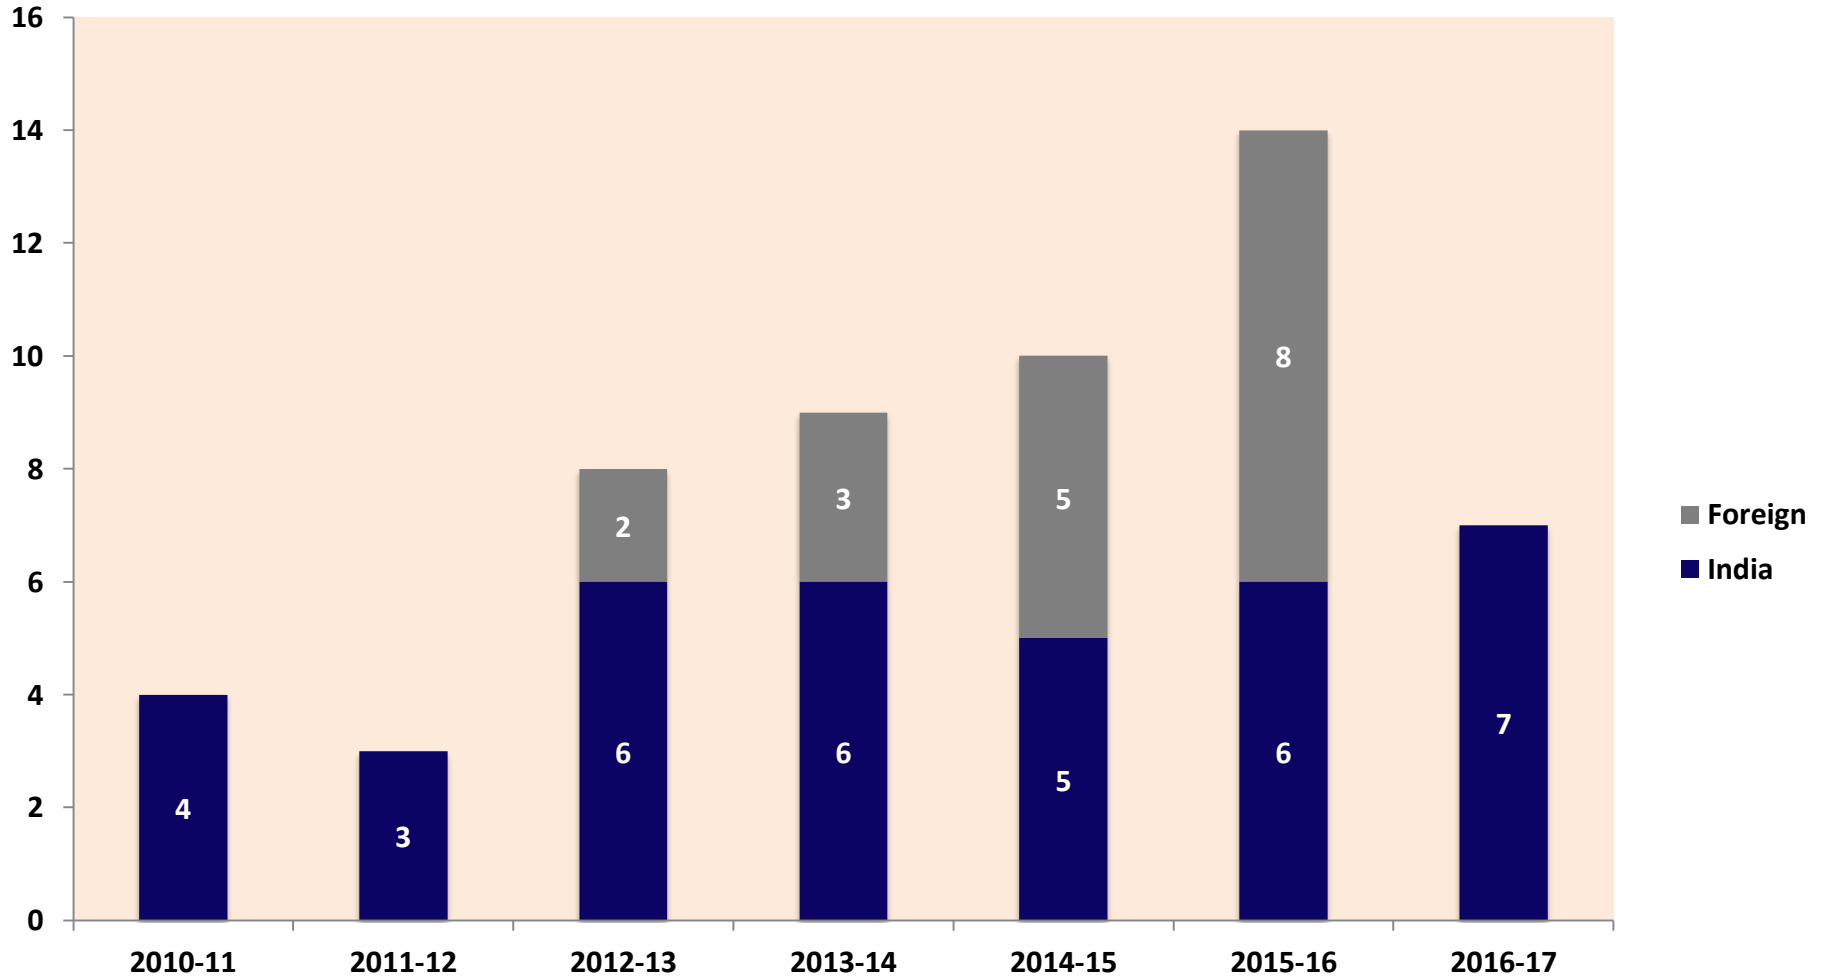

# Human Resource Position

**Staff Strength = 355**  
**Total Students = 135**

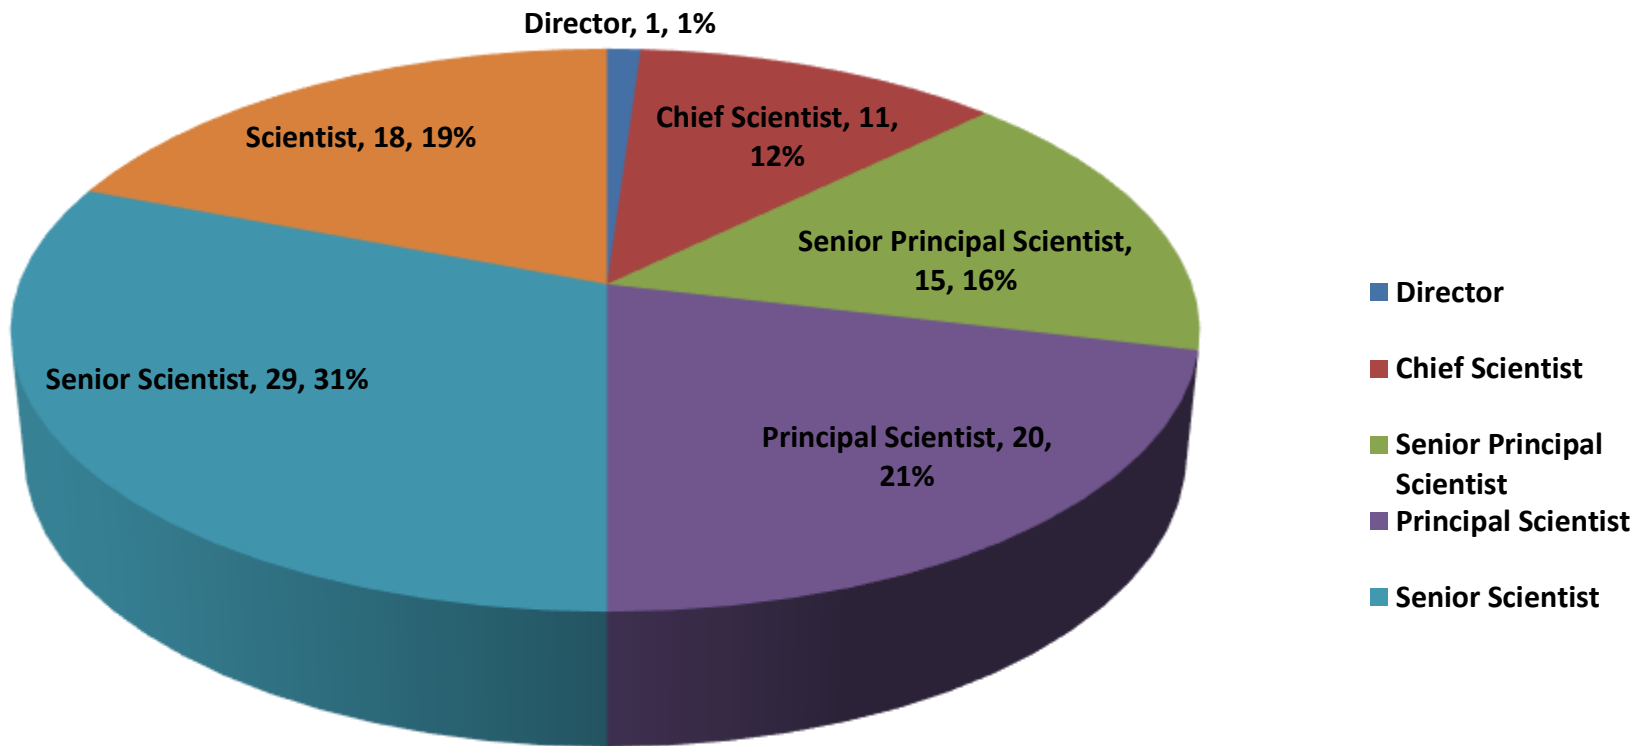

**As on March 31, 2017**

# Patents Filed (*In number*)

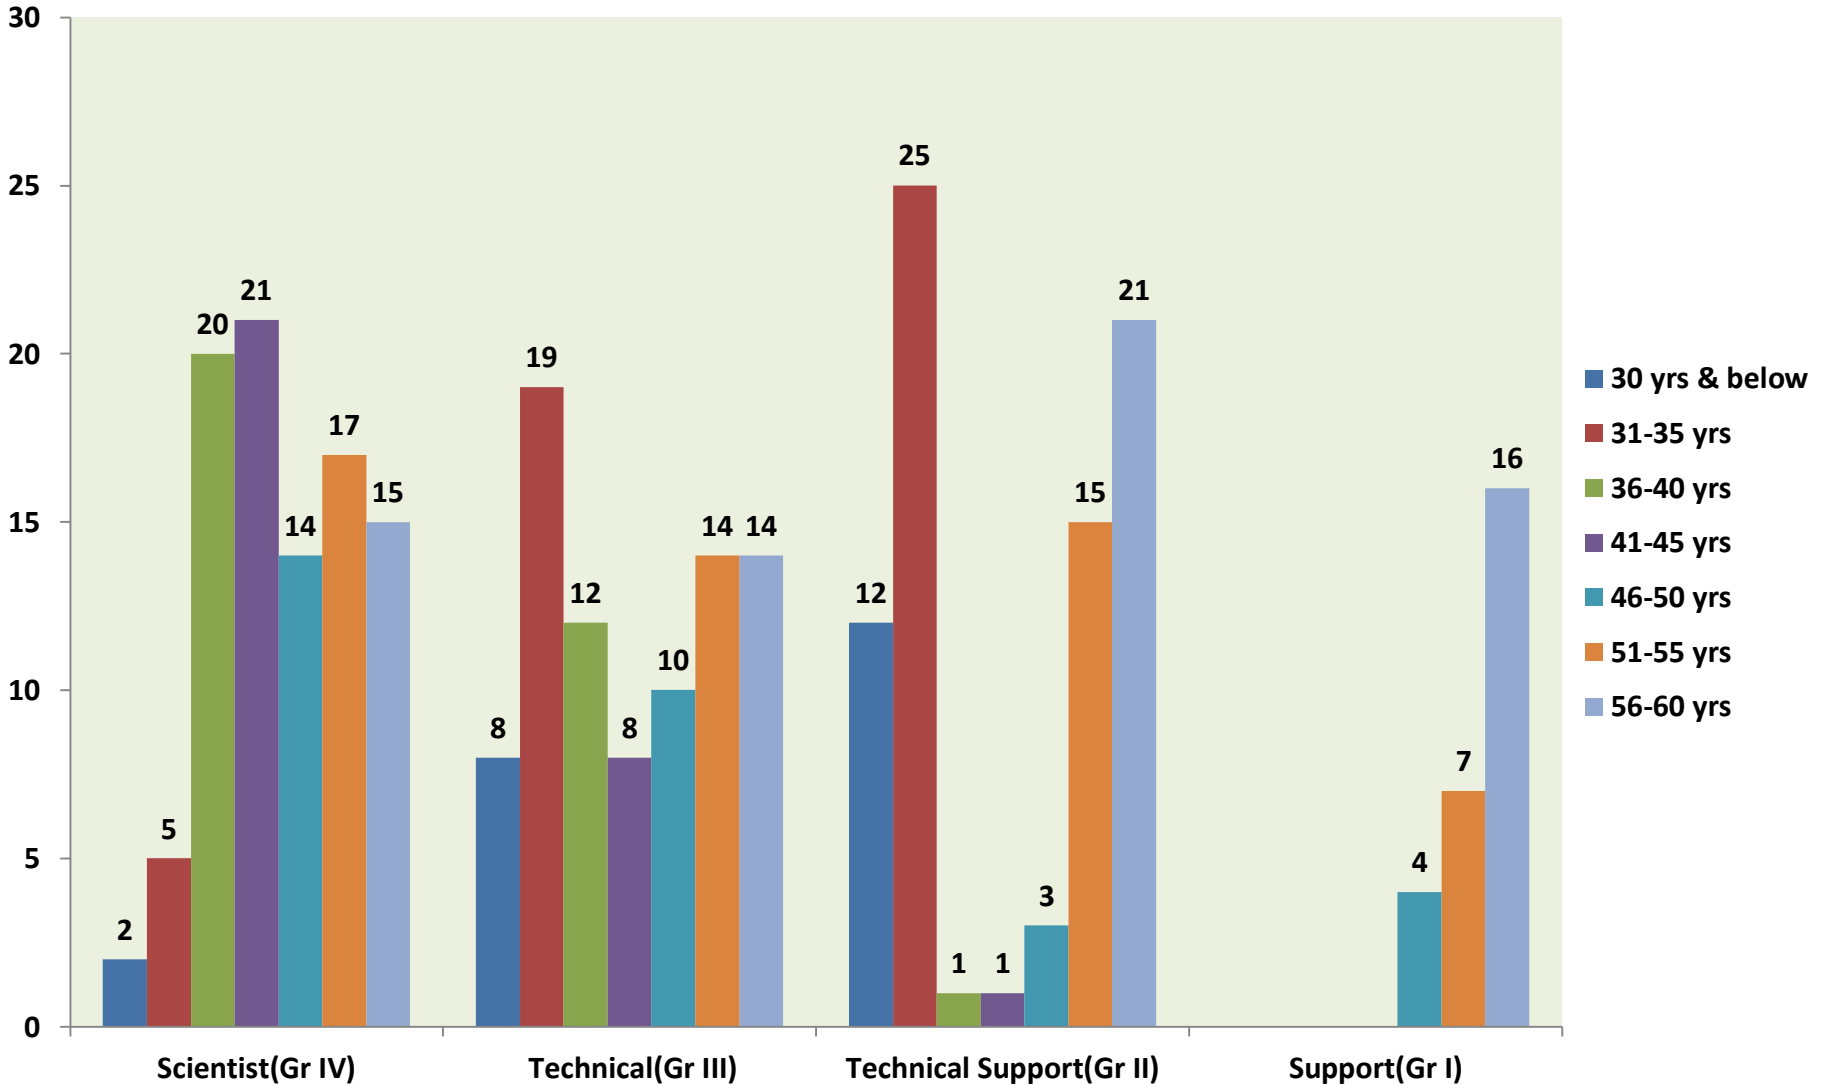

# Distribution of Scientists

Total Number of Scientists: 94

# Age-wise distribution of Scientists / Technical / Support Staff

# Patents Sealed (In number)
