Vote of thanks given by Dr. Jiten Ghosh, Principal Scientist, CSIR-CGCRI

Interaction of Prof. R. K. Mandal with the students during his lecture

School children visited the different division of the institute on the occasion of National Science Day celebration

This year National Science Day Oration in CSIR-CGCRI has been delivered by Prof. R. K. Mandal, Department of Metallurgical Engineering, IIT - BHU, Varanasi on the popular topic "Three Jokes of Nature of the Last Century". It was an immensely enriching lecture for all of us particularly for students. We are thankful to Prof. R. K. Mandal for this wonderful lecture and grateful to our Director for constantly encouraging and supporting us for organising this event.
