

## CSIR Integrated Skill Initiative Skill Development Training Programme On Terracotta Processing

CSIR-CGCRI conducted a Skill Development Programme on “**Terracotta Processing**” at Duttapukur, North 24 Parganas, West Bengal during 16-17 December, 2021 as a part of the **CSIR Integrated Skill Initiative Programme**. The programme was attended by 31 terracotta artisans. Various aspects of terracotta processing such as raw material processing, slip casting, glaze application etc. were discussed and demonstrated in this programme.
