Examination for recruitment of Junior Secretariat Assistants for CSIR-CGCRI - Declaration of result to shortlist candidates for appearing in Type Writing test in Computers

The CSIR-Central Glass & Ceramic Research Institute conducted a Written Competitive Examination on 01.11.2021 in the Computer Based Mode at different centres for recruitment of Junior Secretariat Assistants.

The Written competitive examination consisted of two papers (Paper-1[Mental Ability Test] and Paper-2[General Awareness & General Language]). As per provision of the Notice of Examination and guidelines of CSIR, the second paper will be evaluated only for those candidates who secure the minimum threshold marks (to be determined by the Selection Committee) in the first paper. Accordingly, the Selection Committee fixed the following threshold marks for Paper-I:

Sl. No.	Category	Threshold Marks
1	Un Reserved	50%
2	SC/OBC/PWD/ESM	45%

All candidates who have secured the minimum threshold marks or more are eligible for the next course of evaluation. All such eligible candidates are also required to appear for the Type Writing test in Computers, for which separate call letters will be issued. The Type Writing test in Computers is also qualifying in nature (requiring typing speed of 35 wpm in English or 30 wpm in Hindi) and the final merit list/select list will be drawn based on the marks obtained in Paper-II of the written competitive examination from amongst those candidates who qualify the Type Writing test in Computers. The detailed examination procedure of the Type Writing test in Computers will be available along with the call letter.

The list of eligible candidates who are required to appear for the Type Writing test in Computers are as follows:
