

List of Screened In Candidates

Essential Qualification:	
E1: Ph.D.(Engg./Tech.) in the field of Laser Physics / Fiber Laser / Opto-Electronics / Applied Optics	
Or	
E2: Ph.D.(Sci.) in the field of Laser Physics / Fiber Laser / Opto-Electronics / Applied Optics with at least 2 years' post qualification research/ work experience in the areas of implementation of lasers / Fiber Laser-CW or pulsed / Laser design.	
Or	
E3: M.E. / M.Tech in Electronics / Laser Physics /Fiber Laser / Opto-Electronics / Applied Optics with at least 3 years' post qualification research experience in the areas of implementation of lasers / Fiber Laser-CW or pulsed / Laser design.	
Screening criteria:	
S1: Minimum FIVE SCI journal publications as 1st Author having Impact Factor \geq 1	
S2: Research experience in fiber laser design and implementation as evidenced from journal publications as 1st author
