

**Skill Development Training Program**  
(Under CSIR Integrated Skill Initiative - PHASE III)  
**CSIR-Central Glass & Ceramic Research Institute**

**Training & Demonstration on “Whiteware processing & characterization”.**

**Date: 08<sup>th</sup> September 2025 (Monday) to 12<sup>th</sup> September 2025 (Friday)**

It is requested to register yourself or nominate your representative by filling up the attached application form **on or before 06.09.2025**.

**About the Program**

**CSIR-CGCRI** has vast and strong expertise in the field of traditional ceramics. The institute is well equipped with various state-of-the-art instruments for characterizing different aspects of glass and ceramic raw materials and products.

The **CSIR-CGCRI Khurja Centre** is functioning to cater to the needs of developing, creaming and allied industries, particularly to the Ceramic Industries in the Small Scale and Rural Sector. This Centre of CGCRI has contributed to a great extent in the modernization and all-around development of Ceramic Industries in Khurja on energy efficiency & Cluster Development. The Centre is actively involved in Research & Development in traditional ceramics, testing, and training activities for the growth of ceramic industries and rural artisans since its inception.

**Skill India** is an initiative of the Government of India that has been launched to empower the youth of the country with skill sets that make them more employable and more productive in their work environment.

CSIR-CGCRI is pleased to announce a five (05) days training program entitled “**Training & Demonstration on “Whiteware processing & Characterization”**” at Khurja Centre, G.T. Road, Khurja (UP) with an aim to impart the hands-on training to people working in industry, academia and students. The curriculum of the program is designed to augment the understanding of participants on scientific principles/technical mechanisms working behind every step of the manufacturing process.

**Objective**

The main objective of this skill development program is to provide basic training on Terracotta processing & characterization through lectures and demonstrations.

# Skill Development Training Program

(Under CSIR Integrated Skill Initiative - PHASE III)

## CSIR-Central Glass & Ceramic Research Institute
