

# Moisture sensor (5-95%RH) Moisture meter (5-100 ppm moisture)

## IPR STATUS

Patented

## APPLICATION/USES

Moisture detection in any system or environment

## SALIENT FEATURES

Moisture detection in transformer oil useful for improving the dielectric

break down voltage of transformer oil and a process of preparation thereof.

## LEVEL/SCALE OF DEVELOPMENT

- Lab Scale of Development

## LINE MINISTRY MAPPING/USER SECTOR

Ministry of Power/ Ministry of Steel/ Department of Commerce etc.

Moisture Meter and Sensor Head
